

RE: T.L. Construction Management, Inc.

To whom it may concern:

I am pleased to recommend T.L. Construction Management, Inc. and Tom Loneran for commercial construction work. Tom and his staff are dedicated to making sure every project is not only completed on time, but on budget as well.

T.L. Construction Management, Inc. has completed several construction projects for me at Atria Senior Living campuses and I find their attention to detail, quality, and customer service is impeccable.

I have known Tom Loneran for over 15 years and can say that I know he and his company conduct business in an honest, straightforward, and sincere manner. Also, his firm is qualified, credible, and has strong credentials to conduct business throughout the U.S.

I would highly recommend T.L. Construction Management, Inc. as a capable, knowledgeable, and very organized firm.

Sincerely,

**Vince Leake
Maintenance Operations Project Director
Divisional Maintenance Director – Midwest, TX, KS
Atria Senior Living Group**
