To whom it may concern

The intent of this letter is to introduce and recommend Tom Lonergan and TL Construction Management, Inc.

I have contracted with Tom and his company on several new turnkey KFC restaurants over the last ten years. I have found TL Construction to be price competitive, dedicated to timely completion, and quality conscious. TL has preformed all aspects of construction on these projects from site work, building construction to final setup of equipment. TL has gone the extra mile to assure a quality product. TL's correspondence regarding the bidding, billing, and day to day progress of projects is exceptional.

Most of the projects TL completed for me were several miles and in some cases states away from my base of operation and Tom's constant progress updates were very helpful to me.

I would strongly recommend TL Construction Management, Inc. to anybody looking for a quality contractor who is cost efficient, knowledgeable, and most of all ambitious and committed to complete the project on time and on budget.

If I can be of further assistance in regards to TL Construction please feel free to contact me.

Sincerely

R.G. Butch Troxel
